Experts in our Global Database

Professional Diversity

Our database includes Scientists, PhDs, Masters in Business, Economics, Mathematics, and other fields, representing a vast intellectual reservoir.

Strategic Asset

This talent pool represents the future leadership required for the eventual rehabilitation and reconstruction of Afghanistan.

Current Engagement

We facilitate professional networking and skill-matching within the UK job market to prevent "brain waste" and maximize impact.

Strategic support for new arrivals is essential for long-term social and economic stability in the UK.

The Context

Since 2021, thousands of Afghans have arrived in the UK, requiring specialized support for housing, language, and cultural navigation. The transition from temporary accommodation to permanent, stable living environments is a critical hurdle.

ABC's Strategic Role

ABC acts as a primary liaison between local authorities and the Afghan community. We ensure dignified resettlement by providing the necessary cultural and professional bridges for long-term success.

"Our goal is to transform the challenge of displacement into an opportunity for integration, ensuring every individual can contribute their full potential to British society."

ABC has successfully transitioned dozens of families into permanent housing and provided essential certifications.

36+

Housing Success

Families successfully transitioned into permanent, stable accommodation through our dedicated Hertfordshire initiatives and local authority partnerships.

100%

Professional Training

Successful delivery of certified programs in Food Hygiene, Tailoring, and Cross-Cultural Awareness, significantly enhancing the employability of our members.

Global

Community Cohesion

Facilitating diverse integration programs that bridge the gap between Afghan refugees and local UK residents, fostering mutual understanding and respect.

Celebrating Afghan heritage through arts and exhibitions fosters mutual understanding and community pride.

Exhibitions & Advocacy

Cultural Arts Exhibitions

Partnering with prestigious UK universities to showcase Afghan heritage, bridging creativity and heritage across borders. These exhibitions serve as a platform for dialogue and cultural exchange.

Community Engagement

Events & Media

Annual celebrations and social events bring together the diaspora and local communities. Our media presence in TV debates and documentaries provides an authentic voice for Afghans in the UK.

Targeted educational campaigns ensure that Afghan girls and youth have access to life-changing opportunities.

Girls' Education Campaign

Providing critical financial assistance for visas and transportation to ensure educational continuity for Afghan girls facing barriers to learning.

Language & Heritage

Offering Pashto and Dari classes to help the younger generation maintain their cultural roots while excelling in the UK academic environment.

Mentorship & Guidance

Connecting youth with high-level professionals from our database for career guidance, academic support, and professional networking.

ABC is committed to ensuring that the next generation of Afghans is equipped with the skills and knowledge to lead both in the UK and in the future rebuilding of Afghanistan.

Our research-driven advocacy shapes policies that protect refugee rights and promote sustainable development.

Strategic Research

The C4A Think Tank conducts in-depth analysis on Afghan refugee rights and opportunities within the UK and internationally. Our work bridges the gap between academic research and practical community needs.

Policy Recommendations

We provide expert insights to government bodies and international organizations, advocating for support strategies that are grounded in the lived experiences of the Afghan diaspora.
